We know that you and your students will love the Online Anti-Bullying Theatre Show & Workshops, but don't take our word for it. Here's what our clients have to say:

**'In 20 plus years of teaching, this is the best Anti-Bullying Theatre Visit I can remember!  
Thank you!'**

**Ipswich Prep School, Ipswich**

**'I have nothing but excellent things to say about our day with OpenView. The children are STILL buzzing about it and they all enjoyed the day – One even announced that it was the 'Best show ever'. The teachers reported that the workshops were brilliant and were all incredibly impressed by your knowledge and skills. Thank you again. I have already been recommending you to my friends in other schools.**

**- Bonneville Primary School, London.**

**'The children have really learnt a lot as the workshops were really age appropriate. It was amazing to ask them about bullying and the ways to overcome it and hear their clear understanding of what to do.**

**St Vincent's Catholic Primary School, Essex**

**Level:** EYFS/KS1 (Ages 3 – 8)

**Duration including activities:** 45 – 60 minutes

**Learning outcomes:**

- Students understand how we can show kindness towards others.
- Students understand how our actions can affect the way other people feel.
- Students identify one act of kindness they can take to make their school an even better place.

Your students will be up on their feet going on an exciting adventure with Philip (our living puppet!)

Philip will tell your students an interactive story about the Wolf and the Three Little Pigs.

The Wolf is sad because he doesn't know how to be a good friend, so it's up to your students to show the Wolf how he can show kindness and play his part to make his school an even better place.

Students will take part in role-play, and then learn the friendship rhyme to help them remember the key messages from the workshop.

# Anti-Bullying Animations

In this video we meet Milly and Philip. They enjoy playing together in the sand pit together, but then Philip starts throwing sand at Milly.

Milly learns to use a 'Stop Sign' to ask Philip to stop in a polite and assertive way.

#### Topics:

- Being assertive and polite.
- What do to if someone is unkind or hurts us.

The aim of this video is to promote discussion about bullying with KS2 students.

It will also encourage them to think about how we can respond appropriately to bullying situations from the perspective of the target of the bullying, or from the perspective of a bystander.

#### Topics:

- Cyberbullying & Message Groups
- How we can respond to bullying.

It's time to meet Tom Tiger, Claudia Cat and Reggie Rabbit.

In this delightful story your students will learn how small acts of kindness can make a big difference to the people around us.

#### Topics:

- How kindness can make us and others feel happier.
- What acts of kindness could we do for others?

# FAQ

## How will I access the online program?

Your school will receive a username, password and a link to a special login page. You can then share this information with the other teachers at your school. They can then easily login and access everything easily. They can use everything as often as they like, whenever they like. Simple.

## What is a Press & Play Lesson?

An interactive, video led lesson. The sessions are led by an experienced OpenView Education Facilitator, so they require minimal preparation from your teachers. They include original filmed performances from actors, storytelling and animations. Every Press & Play Lesson comes with supporting resources and an easy to follow teacher guide. The teacher guide provides your teacher with everything that they need to know to deliver the lesson.

## Can you deliver these sessions in person?

Yes. We work with thousands of students and teachers in person every year with our internet safety workshops, training and performances. Our workshops and trainings are covid secure. Contact us for further information.

## How do I pay for the program?

After you let us know which package you would like, we will send you a simple agreement. Once this is completed, we will send you access to the program along with an invoice. The invoice is due net 30 and can be paid via BACS or cheque.

# The Next Steps

Confirm which package suits you best, then we will arrange access for your school.

And if you've got any questions, remember we're here to help.
